# Carbon Reduction Plan

Supplier name: Kirtons Bakery Ltd

Publication date: 18<sup>th</sup> April 2026

## Commitment to achieving Net Zero

Kirtons Bakery Ltd is committed to achieving Net Zero emissions by 2050.

## Baseline Emissions Footprint

Baseline emissions are a record of the greenhouse gases that have been produced in the past and were produced prior to the introduction of any strategies to reduce emissions. Baseline emissions are the reference point against which emissions reduction can be measured.

## Emissions reduction targets

In order to continue our progress to achieving Net Zero, we have adopted the following carbon reduction targets.

### Actions currently in place to reduce carbon emissions

- Most of our staff members arrive to and from work place on bicycles instead on driving. We encourage our staff to either walk or ride to work by providing them with facilities to help purchase a bicycle.
- We have reduced the use of our own company vehicles to distribute our products by 95%.

This report underscores our dedication to environmental stewardship and transparency in our operations. Moving forward, we will continue to monitor our progress, set ambitious emission reduction targets, and engage stakeholders in our journey towards a more sustainable future.

**Thank you for your support as we strive to make a positive impact on our planet and communities.**
